Did you know?

Colonoscopy can prevent colon cancer. Get the facts.

March is Colon Cancer Awareness Month. Join us at this virtual event and get the facts to protect yourself and your loved ones from this highly preventable disease. Laurie Novosad, MD, colorectal surgeon on the medical staff of Baylor Scott & White – McKinney, will explain the top five reasons a colonoscopy is not that bad and how getting this simple screening can save your life.

Date/Time: Wednesday, March 31, 2021
12:00 PM

Hosted by: **Baylor Scott & White
Medical Center – McKinney**
Virtual event via Zoom

Cost: Free

Participants will receive a small gift for attending this virtual event.

RSVP by March 29. Access information will be provided after you register.
